

Wiki Project

Each student will be responsible for an illustrative example, a development or a concept related to Unit 1. You will post your finding on this wiki.

Your entry should have:

- Three different sources
- Illustration(s)
- A summary in a SAQ format with no less than 300 words and no more than 500

The main idea is to associate your finding to the learning objectives, historical developments, and historical themes (SPICES) Make sure to bold or color the themes and write, in parenthesis, the theme you found. The Wiki is for all to use and study, we are building an organic document for us to learn by doing which will grow and can be improved by all participants.
